**Chinrests**

Premium Professional Chinrest – Tabletop Base	CRCs-FH4	\$1200
---	----------	--------

Multi-Mount U-Frame Deluxe Chinrest – Tabletop Base

CRCS-UF-FH4-TTB

\$900

---

The multi-mount chinrest can alternatively work with a heavy-duty floor standing tripod:

Multi-Mount U-Frame Deluxe Chinrest – Floor-Standing

CRCS-UF-FH4-FST

\$1000

---

This shows the Economy camera positioner and focus track.

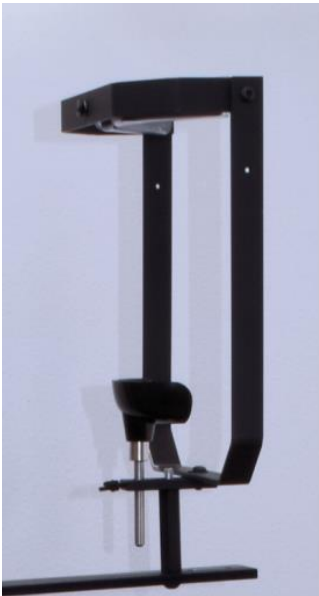

Great Value!

The Economy camera positioner and focus track:

The U-Frame chinrest has an adjustable chincup (2-inch range):  
Miles Research – Chinrest Models 2015

The U-Frame is about 8"x9" (WxH); the chin cup has about a 2" range of adjustment. The forehead rest will be about 1.5" above the eye.

**Chinrest Only Options**

Premium Professional Chinrest Only – Table-Clamp

CR-TTC-2

\$400

This chinrest clamps to a tabletop edge.

The U-Frame chinrest can be mounted on a tabletop mic stand (weighted base):

U-Frame Economy Chinrest Only – Weighted Base
